SUMMER YOUTH BIBLE CAMP

IMPACT & APPRECIATION LETTER

August 11, 2026

Mr. Karl Rajani

Dear Karl,

Grace and peace to you.

On behalf of Lady Iris, the Upper Room Bible Church family, and especially the children we served this summer, I want to personally thank you for your generous support of our 2026 Summer Youth Bible Camp.

I am pleased to share that our eight-week camp was a tremendous success. We were blessed to serve an average of 15 children each day, providing breakfast and a hot lunch, along with a safe, positive, and nurturing environment throughout the summer.

More importantly, we had the opportunity to pour into our young people spiritually and emotionally. Each day was about more than activities and meals - we wanted every child to know that they are loved, valued, gifted, and that God has a purpose for their lives.

During the camp, we were also able to take the children on two field-trip outings, which they absolutely loved. These experiences gave them an opportunity to enjoy themselves, explore beyond their normal surroundings, and create lasting memories together.

At the conclusion of the eight-week program, each child received a Certificate of Completion. One of the most meaningful moments was hearing the children share with their parents and our church congregation what the camp experience meant to them. Their excitement and expressions of gratitude reminded us why investing in our children is so important.

Karl, we wanted to share this report with you because we want you to know that your contribution truly made a difference. Your generosity went a long way toward helping us provide meals, activities, experiences, and a meaningful summer for these children. You were an important part of the success of this year's camp, and we are sincerely grateful.

As we look ahead, it is our hope and prayer that we can continue building upon what God has allowed us to accomplish. We certainly hope that you will be there with us again next summer as we continue investing in the lives of children and families in our community.

Thank you again, Karl, for believing in what we are doing and for helping us make a difference - one child and one family at a time. May God richly bless you for your kindness and generosity.

With sincere appreciation,

Bishop Willie F. Brooks Jr.
